Paddock Services

The Track Support paddock service is located in pit box 1.

Pitboxes

The direct area in the extension of the pitbox belongs to the teams/riders who have rented the pitbox. If for example you have rented pitbox 3 you do not place vehicles of staff or guests or tents or any other material whatsoever in the space belonging to pitboxes 2 and 4.

Tyres

It is not allowed to leave tyres in the paddock under penalty of a fine.

We would like to thank you all for your urgent co-operation in this matter.

**Have fun and success,
the IDC-team**
